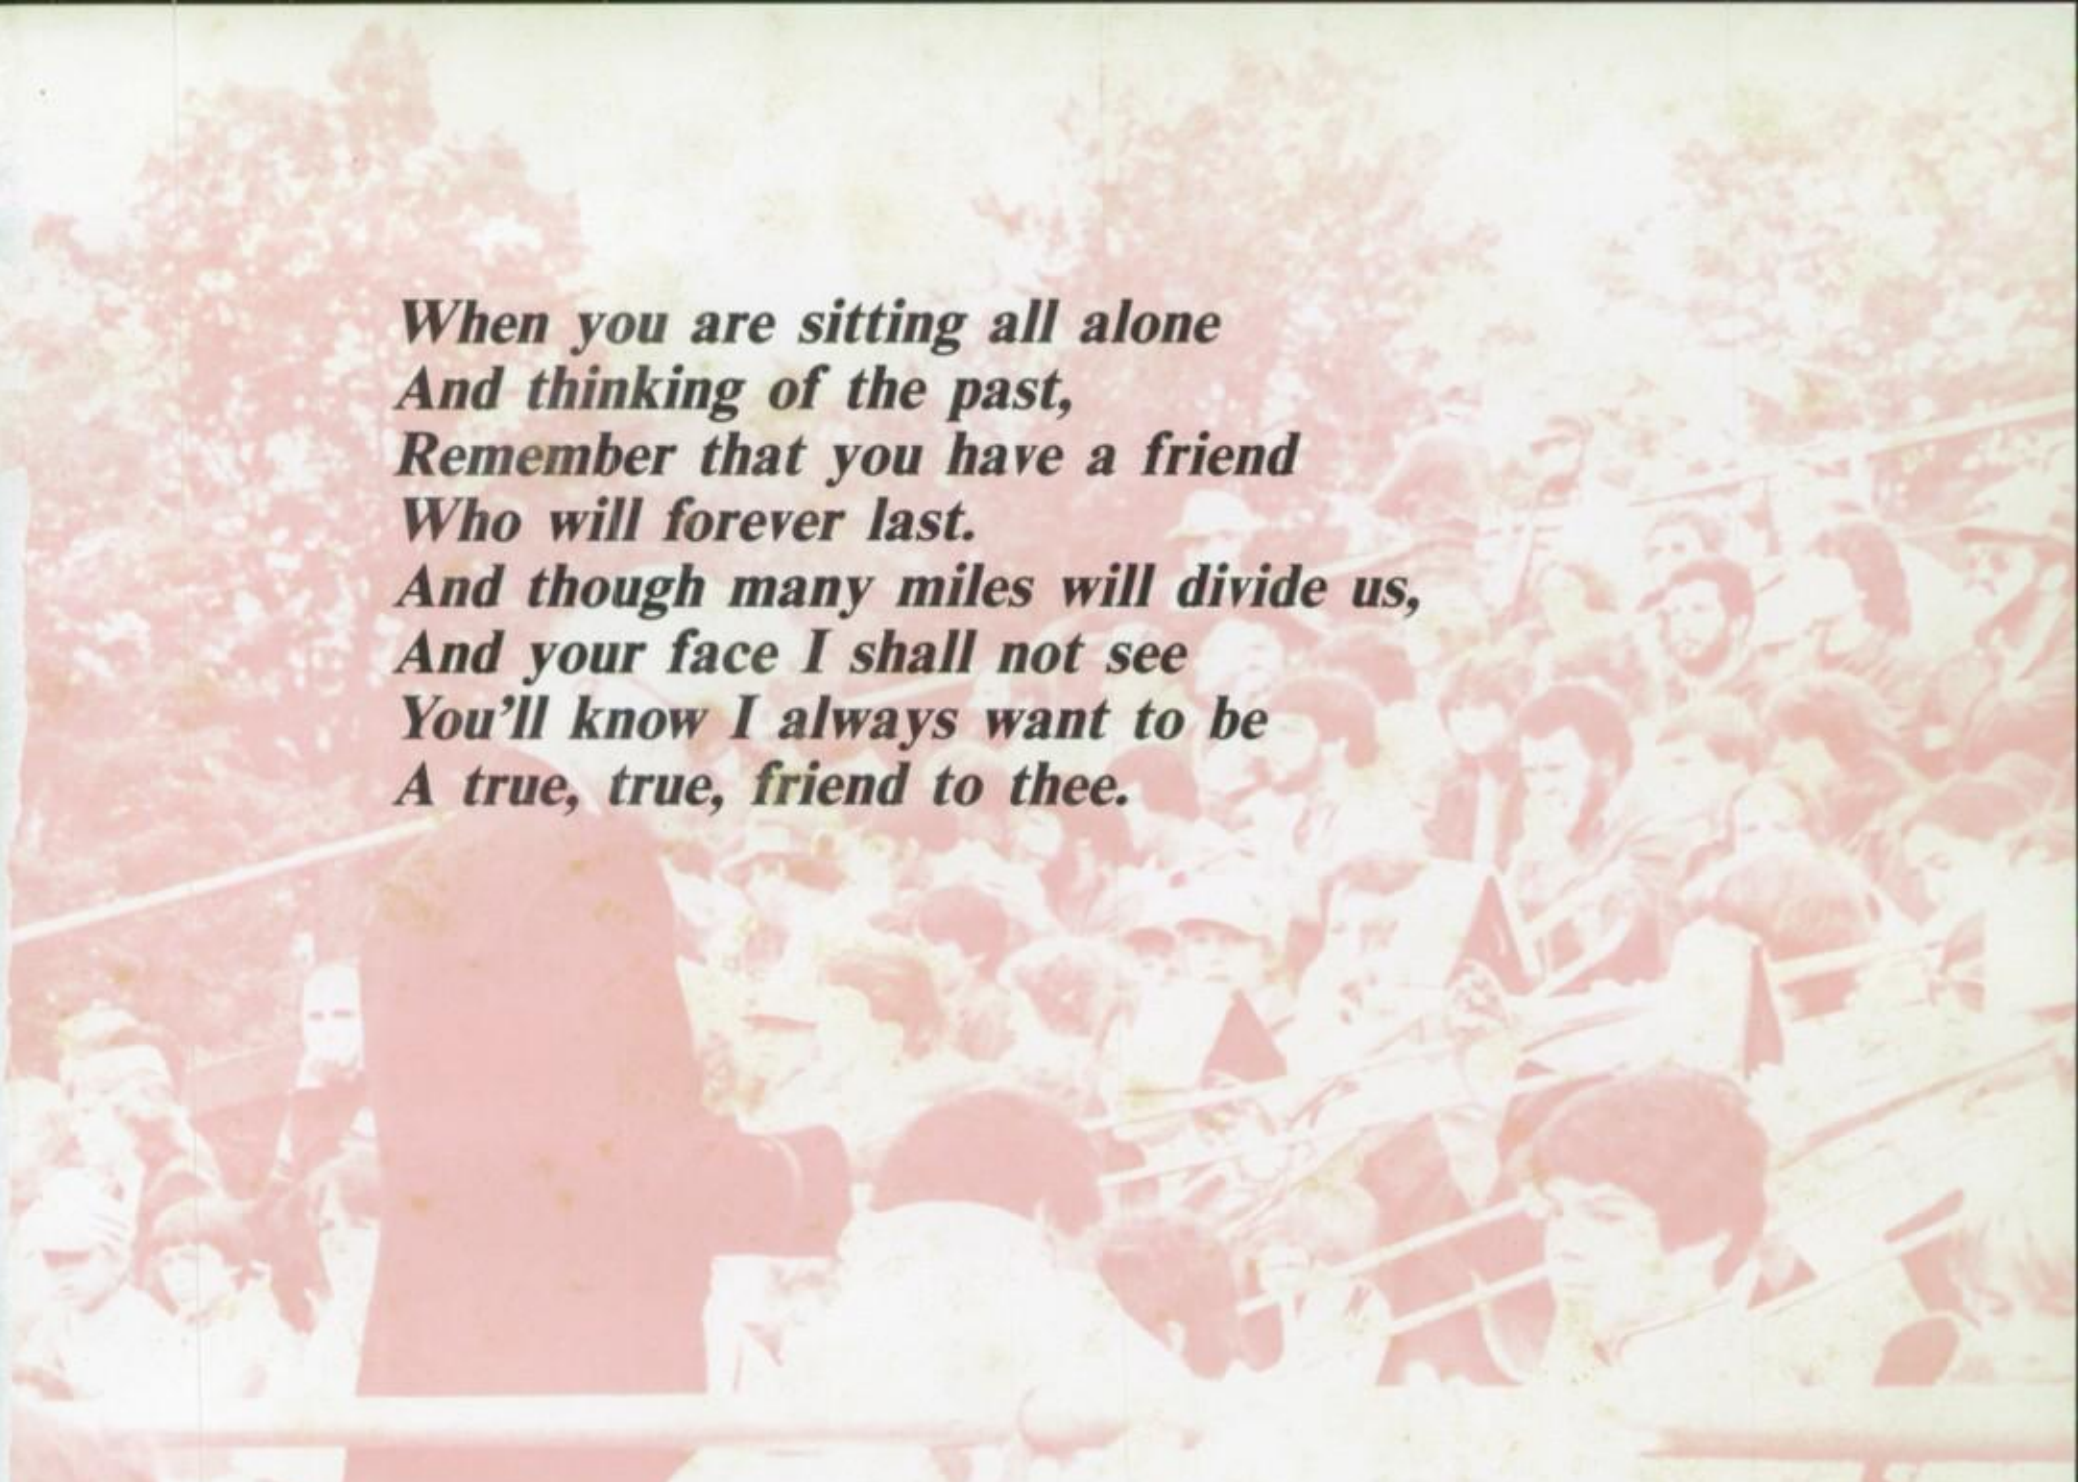
A NEW BEGINNING . . .

. . . for the 1984 graduates and for Stevens High School as well. For Stevens, this meant bringing the freshman class and our new principal, Mr. Armstrong, to our school; while for the graduates this means entering a new world with new friends and new goals.



When you are sitting all alone
And thinking of the past,
Remember that you have a friend
Who will forever last.
And though many miles will divide us,
And your face I shall not see
You'll know I always want to be
A true, true, friend to thee.

JUNIOR PROM

On May 7, the Class of 1984 held its Junior Prom. The theme "Jungle Love" was planned by Todd Landry and Jennifer Stoughton. Many other classmates contributed their time to help with the decorations. The main attraction was the crowning of the Prom Queen, Denise Duval escorted by Mark LeClair. Her court consisted of Jennifer Gogan escorted by Todd Tewksbury; Sarah Keating escorted by Dan Caccavaro; Tracy Breen escorted by Jason Burch; and Cathy Wheeler escorted by Ricky Melcher. Music was provided by "Bad Habit" and a tremendous time was had by all.

BONFIRE

This year's Homecoming Bonfire was a great success. The M.C. for the evening was Nelson Lord from radio station WECM/WTSV. When the bonfire began, there were not many teams present because they were playing away-games. But, as the evening went on, the teams began to appear, and with them they brought the sounds of victory. When Mr. Grumman spoke of his undefeated Lady Cardinals, he said that the students and faculty of Stevens are a "class act." It was clear to everyone that he was right, because the next day, all of the teams went to the Homecoming football game wearing their team shirts.

Stevens teams feted at banquet

CLAREMONT, N.H. — The Stevens High School baseball and softball teams were feted with a banquet this weekend at the Claremont Junior High School.

Award recipients on Marilyn Brody's softball team were Wendy Clark, Offensive Player Award; Monica Dexter, Defensive Player Award; Stephanie Aylward, Coach's Award and Marie Derosier, Most Valuable Player.

The four players were also presented with All-CVL certificates.

Award winners for Ralph Silva's baseball team were Leo Lawrence, MVP; Larry Preston, Coach's Award; Gregg Tewksbury, Best Offensive Player; Doug O'Hara, Best Defensive Player; L.J. Baillargeon, Most Improved.

Lawrence, Tewksbury, Dwayne Lucia and Mike Chase were presented with All-CVL certificates. Lawrence also made the All-Star baseball squad for New Hampshire that will be playing a doubleheader against Vermont.

Stevens cross-country teams split

HANOVER, N.H. - The Stevens' girls' soccer team upped its record to 5-0-1 with a tight, 2-1, victory over Hanover Tuesday.

Stephanie Aylward put the Lady Cardinals on the board first, scoring on a shot that deflected in off a Hanover defender.

Aylward then assisted on a goal by Eileen MacDonald as Stevens took a 2-0 intermission lead.

Hanover put a lot of pressure on Stevens in the second half, but could only muster a goal by Malia Nils.

The Marauders' record drops to 3-2-1.

All-CVL grid stars named

Tom Fowler's Stevens Cardinals placed seniors Jeff Bemis, Jay Middleton, Rodney Dorr and Dave Weber, and junior Phil Ayer on the team.

Ayer made the team as a kicker while Middleton earned the accolades on the strength of his quarterbacking. Dorr and Weber were a hard-running tandem out of the Cardinals' backfield, perhaps as potent a one-two punch on the ground as could be found on the league. The powerful Dorr made the team as a back, but Weber landed his spot as a linebacker.

Stevens 52, Kearsarge 20

It was over early, as the Cards raced to a 15-2 lead in the first quarter and held a 29-5 lead at the half.

Angela Lemieux and Kathy Pilot had 12 points apiece to lead the scoring parade for Stevens.

Lady Cards gear for big week

Tom Fowler
Stevens Cardinals

CLAREMONT, N.H. - Stevens' coach Tom Fowler was still trying to figure out on Monday how his team could roll up more than 300 yards in offense and lose in overtime to Hanover, 12-6.

"I'm very, very disappointed. Not in the overtime, I'll take responsiblity for that. I'm disappointed we didn't put the ball in the end zone. We had the ball three times inside their 10 and didn't score once.

"Offensively I wouldn't say we didn't do anything. We moved the ball up and down the field. I think it was a situation where we made some awful mental mistakes and you can't win football games doing that.

"We stopped ourselves. We missed a key block on the goal line, we had penalties. We even scored the extra points that would have given us the 8-6 victory, but a penalty nullified those.

Fowler also explained his decision to give the ball to Rodney Dorr three of the four times in overtime?

"My thinking was to give it to our best back. They had been keying on Dorr all game, but I thought in overtime they would forget that.

"I'm proud of the kids, and very pleased with the defense.

"I just don't think we should have been in overtime."

LADY CARDINALS SOCCER TEAM

Stevens runners honored

CLAREMONT, N.H. — Several members of the Stevens cross country teams received special awards at their annual banquet including the prestigious Disnard Trophies presented by Superintendent of Schools George Disnard to Tammy Raymond and Rodney Viens.

Viens was the top point getter on a boys' team that went 18-0 during the season while Raymond was the top girl.

Unsung hero awards went to Kim Hebert and Dan Sprague. Matt Papps and Mary Roberts received the Most Improved Awards for this year while Steve Sievert was named Most Improved from last season to this year. The Most Consistent accolade went to Rachel Tanguay.

Coach Paul Potter served as Master of Ceremonies.

STEVENS HIGH GYM RENAMED

FREDERICK W. CARR GYMNASIUM

TRIBUTE
TO
FREDERICK W. CARR

Whereas: Mr. Frederick W. Carr has devoted 23 years to the youth and education of the city of Claremont, and;

Whereas: Mr. Carr faithfully attended boys' and girls' athletic practices, contests, and tournaments for virtually every sport at Stevens, and;

Whereas: Mr. Carr served enthusiastically as a "sideline quarterback," "assistant coach," "referee," and "cheerleader" throughout each and every game, and;

Whereas: Mr. Carr always found time to shoot a basket, wield a hockey stick, or comment on a skill during physical education and intramurals, and;

Whereas: Mr. Carr always had a word of praise or pat on the back for the athlete - win or lose, and;

Whereas: Mr. Carr as Principal and Mr. Carr as Citizen cares deeply about all students at Stevens High School;

Therefore, be it resolved that:

The Stevens High School Student Council and The Claremont School Board take pride in honoring Frederick W. Carr for his dedication and loyalty and do so declare that the gymnasium at Stevens High School henceforth be known as the FREDERICK W. CARR GYMNASIUM.

HART

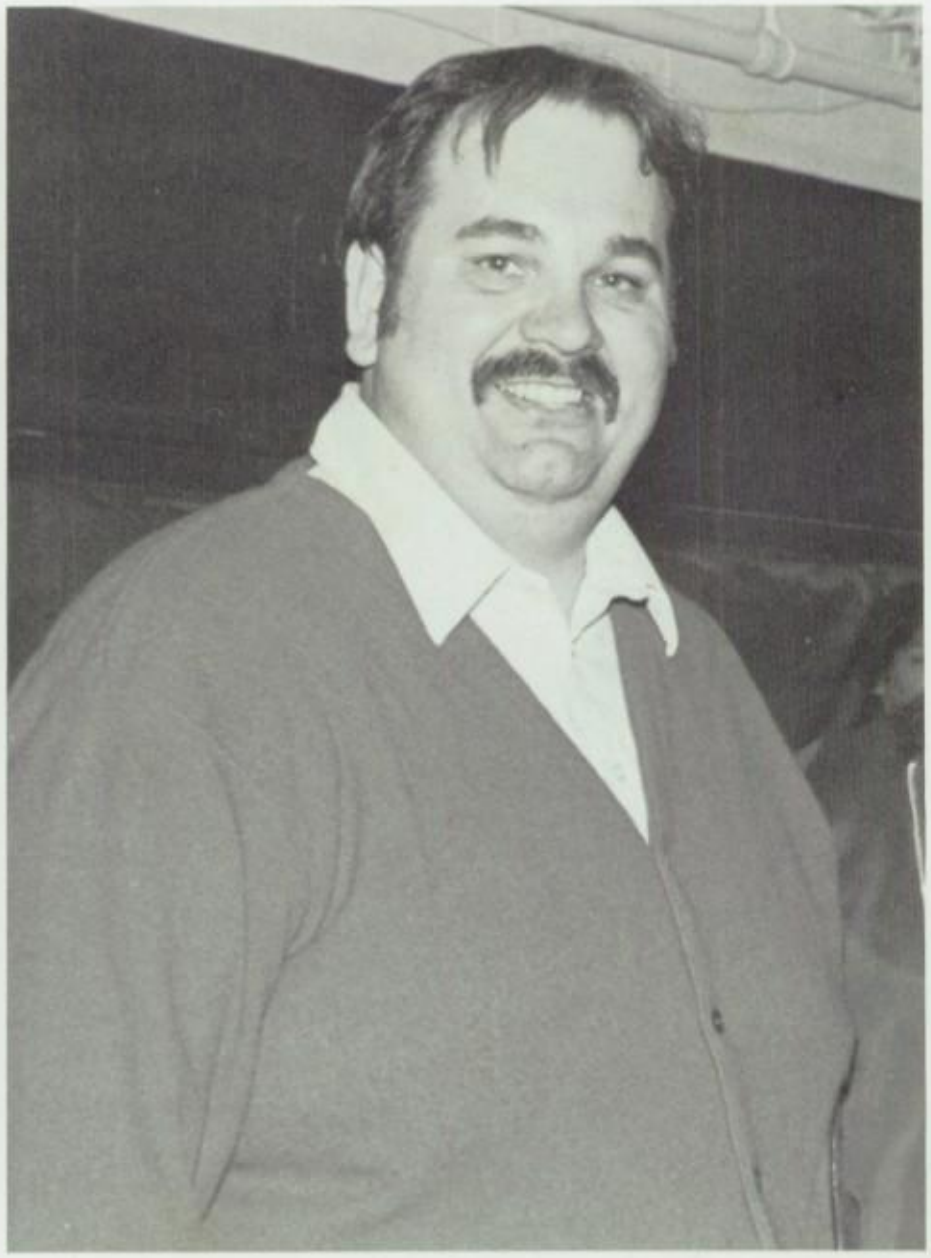
IT IS TIME, ONCE AGAIN, TO 'PASS THE TORCH'
TO A NEW GENERATION OF LEADERS"
GARY HART



We, the graduating class of 1984, dedicate our yearbook to a man who has brought a new meaning to to the word's "School Spirit", Mr. Gene Grumman. Mr. Grumman came to Stevens three years ago, and life at Stevens has never been the same. During his second year, Mr. "G" took over the responsibility of being the Student Council Advisor. Never before has the Council seen such prosperous years. One of the council's most recent tasks was the painting and dedication of the newly named Frederick W. Carr Gymnasium.

Mr. Grumman also changed the sports world at Stevens. During Mr. Grumman's first year he took over the task of forming a girl's soccer team. This newly formed team was given the name the Lady Cardinals. This year's team fought their way up to the top of the soccer league and went on to the State finals in Concord NH and missed the state title by one point. During their season the girls developed a strong friendship with Mr. Grumman that has lasted throughout the school year and will last for many years to come.

Besides being a coach, teacher, and an advisor, Mr. Grumman also plays the role of being a good friend to many of the students in the school. Because of all of his activities at Stevens and because of his unique way with people it is without a doubt that Mr. Grumman is truly a Stevens Cardinal.

we look a[illegible] past memories.
[illegible] laughs, sorr[illegible]s, the beginnings
and endings- We realize that the start
of our many journeys has been reached.
We will step ahead, turn around, remember.
laugh and cry once more, then begin our next journey.
